

HP-IL

HP-IL Compendium

The Hewlett-Packard Interface Loop Peripherals Repository

by Sylvain Côté

Allschwil²⁰¹⁸

The purpose of the
HP-IL Compendium
is to gather and publish in
one place all relevant
information related to the
Hewlett-Packard
Interface Loop

Special Thanks To ...

- ◆ Robert Prosperi for ...
 - ◆ having taken the time to review several times the compendium
 - ◆ his invaluable suggestions for compendium improvement
 - ◆ his friendship
- ◆ Jean-François Garnier for ...
 - ◆ his PIL-Box & PIL-IO great support
 - ◆ his openness and sharing of information and knowledge
 - ◆ his friendship

Facts

- ◆ This HP-IL Compendium is a follow up of the HP-71 Compendium released in 2015/2016.
- ◆ Preparation of the document took 6 months elapsed including hundreds hours of evenings & weekends.
- ◆ It gave me an excuse to buy a semi-pro camera setup, Nikon D7500, for taking items pictures.
- ◆ More than 95% of the compendium items comes from my personal HP collection.

Releases

- ◆ Latest release: September 20, 2018.

- ◆ Documents available:

www.hhcworld.com/files/compendiums/hp_il_compendium.pdf

www.hhcworld.com/files/compendiums/hp_il_compendium_allschwil2018.pdf

www.hhcworld.com/files/compendiums/hp_il_compendium_hhc2018.pdf

- ◆ My goal is to release a new version with new peripherals every month until all peripherals are covered.
